**THE COMMISSIONER OF PATENTS AND TRADEMARKS****RESPONSE TO NOTICE OF ALLOWANCE**

Sir:

The above referenced application has now been allowed. In the Notice of Allowance, it is stated that "the oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67 (a) identifying this application number and filing date is required." Applicants hereby file a Supplemental Oath or Declaration in which the above referenced application is identified by application number and filing date.

In the filing of the above referenced application, Applicants included a Utility Patent Application Transmittal in which continuity data for the application was included, in accordance with 37 C.F.R. 1.76(b)(5). A photocopy of the transmittal is attached to this correspondence. A photocopy of the filing receipt for this application is also attached to this correspondence. The filing receipt is evidence that the continuity information on the transmittal form was received and documented by the USPTO. With the filing of this Supplemental Oath or Declaration, Applicants believe that this

Application No. 10/827,093

application is in compliance with 37 CFR 1.67 which does not require the inclusion of continuity data in the oath or declaration or in a supplemental oath or declaration.

Applicants hereby respectfully request that this allowed application issue as a patent at the earliest convenient date.

Respectfully submitted,

Nicholas L. DiSalvo  
William R. Ziegler
